ARCHIVE 1

Opening 6pm Thur 13 November 2008
14 November – 13 December 2008

Image: Spring Landscape, ink-jet print, 2008

Archive 1 is a selection of prints and video art from Žaneta Vangeli's prolific practice of twenty-odd years. A multimedia artist, Vangeli realises her ideas with paintings, objects, photography, video and film.

"The artist is profoundly concerned with the cultural and political context of her own country: Macedonia. Her critical thinking challenges polarised cultural, social and politically engaged art. That is, in parallel to addressing urgent cultural and political questions in the most thoughtful and reflective way, Vangeli boldly tackles even the most metaphysical of issues—such as truth, the battle between good and evil, comprehension of God's nature and actions, etc."

Suzana Milevska, 'Crisis of Subjects and Geographies' catalogue essay, *Archive 1*, EAF 2008
